About Sunnyvale Fish

Sunnyvale FISH is “Christians Who Care” about their neighbors in need. Our work is sponsored by more than 20 congregations and many friends in the community. The help we give is not provided by any public or private agency. Food, clothing, and household goods are offered to those in need. No legitimate request is left unfilled as long as resources are available. FISH workers are all volunteers.

FISH provides clothing, household utensils, sleeping bags, linens, blankets and layettes to families and individuals in need.

FISH provides emergency bags of food to Sunnyvale Community Services for distribution to families in need in the community.

Emergency food items include:

Canned Fruits	Canned Vegetables	Tuna
Jam	Peanut Butter	Cereal
Rice	Pinto Bean	Soup
Macaroni&Cheese	Spaghetti Sauce	Spaghetti
Tomato Sauce	Milkman Powdered Milk	Jello
Bar Soap	Toilet Paper	Dish Soap
