How Your Sponsorship Helps

Chi Am's signature commitment to the community has been its **Scholarship Award Program**. We have invested in the future by providing scholarships to college-bound students of Asian heritage. Scholarships are awarded to deserving students based on academic excellence, financial need and community service. Recipients are high school students in Santa Clara County.

As a volunteer organization, we ensure that 100% of your donation will go to the fund or funds you designate:

- Scholarship Program for awards and related expenses
- Outreach Scholarships for ASD students to attend college, vocational training, or skills enhancement classes
- Service Fund for outreach projects
- General Fund for administration

Your sponsorship will help us continue our service to the community. We thank you for your support.
